BIO

Jeanne Taylor was raised in Michigan and spent her summers in Ontario, Canada on Lake Huron. She comes from a family of performers and has always been putting on a show. It's natural for Jeanne to produce, write, direct, and act in her own projects. She loves creating something out of nothing!

Jeanne attended WMU in Kalamazoo for theatre and CSUN in California for a masters in psychology. She's fascinated by people and what makes them tick!

An Indie sweetheart, she has earned many leading actress awards for projects she has written and produced. Her short films, *THE CO-STAR* and *THE CO-STAR: MASTER ACTING CLASS* have won multiple awards including Best Comedy, Audience Favorite, Best Short Film, Best Screenplay and 6 Leading Actress awards. Her web series, *MRS. CARMODY & MRS. JELLINECK* has over 1,000 subscribers and has also won multiple awards, including Best Web series, Best Comedy

Series, Women Filmmakers, Script Writing, and additional Leading Actress awards for Jeanne.

Recently, Jeanne appeared in the feature film *VRONIKA* (Inbar Lavi, Jack Kesy, Usman Ally) and *DARUMA* (Barry Bostwick and Abigail Hawk).

The Detroit Free Press reviewed Jeanne as "deserving a local Tony if there were such a thing." Acting in Chicago, Detroit and Los Angeles, Jeanne has performed in over 40 plays.

An improviser, Jeanne is an Upright Citizen's Brigade performer and had a blast doing her sold out One Woman Show, *CRAFT SERVICE TABLE*, *THE MUSICAL* in 2016!

Jeanne is married to Thom Floutz, special make-up effects artist. Their white boxer Sammi makes them laugh everyday.

“First off, CRAFT SERVICE TABLE: THE MUSICAL will take you on a journey through the ups and downs of Hollywood life via the delicious yet slightly murderous food items on the craft service table. **Jeanne Taylor** (*Jimmy Kimmel Live*) and **Hal Rudnick** (*Screen Junkies*, *CollegeHumor*) star in this delightful one woman show (with a dude for good measure.) Also, our favorite Mudville inhabitant **Greg Smith** provides the music for this masterful performance.”

“You’ll be swept away to a place where all the food on a craft service table gains consciousness from its lifeless state. Through the power of song, those delectable snack foods will bring you tales of fame, desire, and broken dreams while they also dance, murder, and make whoopee. **Jeanne Taylor** and **Hal Rudnick** have written this tasty musical which they also star in. The music is composed by no other than Mudville’s **Greg Smith**.

Don’t miss out!”
